

How To Listen Well

This is all about why its good to listen.
It's important to look at people and stop what I'm doing when they
have something to tell me.

Sometimes grown-ups tell me very important things that I need to
know.

If I don't look & listen I might miss something important and make
the grown-ups angry.

I know it's wrong to keep doing what I'm doing when grown-ups want me to listen.

I will listen to grown-ups when they talk to me.
